The screenshot shows a web interface for querying tax statements. At the top, there's a green header with the title '薪資暨各類所得查詢' and user statistics. Below that, there are navigation buttons for '薪資', '各類所得', '墊付款', '年應稅所得', and '居住者扣繳憑單'. A secondary row contains '固定薪資查詢' and '各類所得暨報繳稅額查詢'. The main content area displays '全年應稅各類所得暨報繳稅額明細表' for the year '114年度'. A '下載' (Download) button is located in the top right corner of the table area. Red boxes and numbers 1, 2, and 3 are used as annotations: '1' points to the '年應稅所得' button, '2' points to the '各類所得暨報繳稅額查詢' button, and '3' points to the '下載' button.
